No.

-7-

From pre-page:-

32 There are two grades of employees appointed in AAJVS i.e Group "C" and Group "D". The post of Executive Secretary is filled from amongst DANICS Officers on deputation basis therefore, filling up the above post by AAJVS does not arise. Since, AAJVS is an autonomous body, the composition of DPC may be the same for all the posts which are to be filled on direct recruitment.

33 Submitted for approval please.

Executive Secretary

34 It may be seen from the table given at para 29/N that 20 (twenty) posts are lying vacant. AAJVS is an autonomous body working as Trustee Organization for implementation of all policy decisions of its Executive Council headed by Chairman, AAJVS (Hon'ble Lt. Governor) for protection and welfare of the Primitive Tribes. It is needless to emphasize the difficulties being faced in the field due to shortage of field staff. With the cessation of hostility by Jarawas and their regular mingling with outsiders ^{coupled} ~~compelled~~ with increased vehicular traffic on Andaman Trunk Road through Jarawa Reserve areas and boosted tourist inflow in Jirkatang-Middle Strait sector, Kadamtala-Phooltala sector a larger manpower in the field has become essential. Besides field, at least three staff ^{pieces} ~~a~~ are almost regularly required at G. B. Pant Hospital, Port Blair, Primary Health centres Tushnabad, Kadamtala and R.K. Pur as ^{coupled} ~~attendant-cum-security-man~~ for the tribal patients and their family members, who always accompany them during their hospitalization.
