DATE 24/7/2009

To

The Executive Secretary,
Andaman Adim Janjathi Vikas Samiti,
Secretariat Complex,
Port Blair.

Handwritten note: 'Pl write a letter to SE ask how he does supply for 6 hrs. call 25/2/09'.

Sub:- Power supply at Dugong Creek - reg.

Ref:- AAJVS letter No.17-10/AAJVS/2008/221 dt.9.1.2009

Sir,

I am directed to refer your above cited letter addressed to EE(PPS&W) regarding increase in the power supply duration at Dugong Creek from 6 Hrs. to 12/15 Hrs. a day. In this connection, it is to inform that increase in power supply duration will result in higher HSD requirement for which more transportation of HSD to Dugong Creek will be required. At present HSD transportation is the main problem to maintain power supply regularity, particularly during inclement weather.

In this connection it is intimated that the power supply timing can be increased if the transportation of HSD from Huthbay to Dugong Creek is arranged by your office as AAJVS is having facility of a dinghi. Kindly confirm the same so that the power supply duration of 12/15 Hrs. can be maintained specially during inclement weather.

Yours faithfully,

सहायक अभियंता(योजना)/Assistant Engineer(PL)
