73 Refer: Page 110/c please.

74 This is a letter from A.E (PL) in connection with supply of panel at Dugong Creek. This letter is in response to the request placed at page 101/c for enhancement of panel supply at 0/creek.

75 The A.E states that panel supply can be increased if transportation of HSD from Hubbay to 0/c is arranged by APSUS which is having facility of Dighi.

76 The dept. is running panel house at 0/c with 6 hrs supply daily for which HSD is required. This is transported by the dept themselves. As directed in the body of letter, draft letter addressed to AE(PL) added for completion.
