Sub: Supply of iron tools & materials for Jarawas-reg.

Sir,

This is to inform you that during my visit in different habitat of Jarawas located at western coast of Middle Andaman for enumeration of the Jarawas, they have reported that all big size of Aluminium Degchi which we have provided to them earlier have damaged and also inadequate for all Jarawas and they have need more degchi (big size) for their common use in different locations.

Therefore you are requested to kindly supply the following items immediately for the use of Jarawas.

1. Aluminium Degchi (10 kg capacity) - 10 Nos. ✓
2. Axe - 15 Nos. ✓

Yours faithfully,
