Respected Sir,

With due respect, we the under mentioned inhabitant of Straight island beg to state that we may kindly be given an opportunity to work any of the Departments under your kind control as we can have our own expense other than the Government paying which we are getting. As we are also educated in these islands and we are searching of a job. It is also learnt that some post of class IV staff are lying vacant in the DHS and Education Departments, we may kindly be given an opportunity to work any of the Government Departments so as to enable us to pull on our day-to-day expense.
