

To,

The Chief Secretary  
A&N Administration  
Port Blair.

Sub: Request for employment-reg.  
Respected Sir,

With due respect, I am to humbly state that I belong to the Great Andamanese primitive tribal community and is residing at Strait Island. I have five children studying in various classes. After several requests made to the Director Health Services, they had provided me a job of Ayah in the medical sub centre at Strait Island on leave vacancy for 45 days-2 months.

I have to come to Port Blair every month and request the Officials of DHS to continue my job at Strait island, but they are not attentive and gives vague reply.

Late Nao (Jr.) was posted as Ward Attendant at Strait island, but after his death, the post is not being filled up for which I had requested several times. I have to fulfil various requirements of my family and when I see that my fellow Great Andamanese provide it to their children, It is very pain full. I wandering for a Group D job since last many years, but I am unable to get the same.

It is therefore requested to kindly direct the DHS to appoint me against the vacant post of Late Nao (Jr.) and post me at Medical Sub-Centre Strait island please. Your esteemed help would be a great help to my family and community.

Thanking you,

Yours faithfully
