Sub: Providing employment-reg.
Respected Sir,

With due respect, I am to state that I belong to the Great Andamanese primitive tribal community. As assured by you during your last visit to Strait Island, the Director of Education was requested for posting her as Group D in the Primary School, at Strait island.

Initially, they had appointed me on daily wages but after few months, I was discontinued. The Directorate of Education is not issuing any order for my employment and me and my family are facing serious financial and other problems.

You are requested to kindly issue necessary directions to the Education department for issuing order for my appointment in any Group D post at the Primary School, Strait Island

Thanking you

Yours faithfully
