Sub: Request for engagement on daily wages-reg
Respected Sir,

With due respect, I am to state that I was working on daily wages basis in AAJVS from 1999 to 2005 but without any reason or knowledge, my services were discontinued. During my service in AAJVS I have gained good knowledge of the Jarawa language. I would like to provide my services to the particularly vulnerable tribes and extend necessary assistance with the knowledge acquired by me during my earlier tenure in AAJVS.

I would humbly request you to kindly consider my candidature and engage me on daily wages and post me any primitive tribal settlement.

Thanking you,

Yours faithfully
