Sub:- Application for job to spouse - reg.

His Excellency,

I am Range, a Great Andamanese woman. As you may be aware our tribe once lived all over South Andaman. Today only few of us are alive. We are continued to Strait Island and leading hand to mouth existence. My father Late Jirke was the Chief of Andamanese. The Administration had been kind enough to give me a job as Mazdoor in Forest Department. Administration has also been kind enough to send me and my husband for fertility treatment on mainland at Shri. Ramachandra Medical College Hospital.

I am happy to inform you that after a long wait of 9 years I have became the mother of a baby boy. However, as my husband is jobless we are finding it difficult to meet the heavy expenditure of bringing up our child.

Therefore Sir, I request you to kindly give a job to my husband Shri. Sukumar Saha. He is working in the Home Guard as Contract basis. I will be grateful if he is taken into Police Department as Constable. I shall remain ever grateful to you for this favour.

Thanking you Sir,

Yours faithfully
