Sub: Some personal grievances:

Sir,

I have come to you with a request for employment against the vacant post of peon in the Middle School at Strait Island and submitted my representation dated 13.2.12. I have been directed to the Directorate of Education. However, I regret to say that I have not been given any response by the officer I met there.

I once again request you to kindly consider my request and post me at Strait Islands so that I can take care of my large family.

I shall ever be grateful to you for this act of kindness.

Thanking you

Yours faithfully
