Sub: request for employment-reg.
Respected Sir,

With due respect, I am to state that I belong to the Great Andamanese primitive tribal community and is living at Strait island. I have my family including five children and my mother to feed. It is very difficult for me to maintain my family including their daily need, education, health and house hold things.

It is requested to kindly provide me a Group 'D' job in the Middle School at Strait Island. A post of peon is lying vacant in the school. My candidature may be considered for the above vacancy. I want to run my family by serving my community through the above employment. I want to provide all badic requirements to my family so that my children can grow well and become self reliant.

Considering the above position and facts, it is requested to kindly provide me an employment at Strait island to serve my community and to maintain my family. My bio-data is enclosed herewith for kind perusal please.

Thanking you,

Yours faithfully
