Sub: - Appointment in the post of Ayya- reg

Sir,

With due respect, I am to inform that I being the Andamanese tribe has been engaged as Female Ward Attended on Leave Vacancy on time to time basis. As on date, I have rendered more than 5 years of service in the Health Department on leave vacancy and got huge experience in the said field. My husband who is working in the PWD department is not providing any financial support being chronically addicted with bad habits. That sir, under leave vacancy, I am getting Rs. 7000/- only which is insufficient to look after my family. My family status is very poor as I have five school children and with this meager salary, I am unable to fulfill their wish & will. My education qualification is 8th Pass.

That sir, it will be a great help if I may be provided with a Govt Job on regular basis and considered with appointment in the post of Aaya in your department on the basis my experience. Copies of order issued by DHS, Port Blair for engaging me on Leave Vacancy and education qualification certificate are enclosed.

Your cooperation in this regard is highly solicited.

Yours faithfully
