To,
The Executive Secretary
AAJVS, Port Blair.

Dated the 7th August-2013.

Sub:- Requirement for Sanction of D.R. for clearance
of G/A. Settlement area; req.

Sir; This is to inform that the Settlement area of G/A at
Strait Island and the Premises of Guest house, Poultry-
Farm are full of weeds and other Secondary growths
resulting as niche for insects and mosquitos.

To clear the area no manpower is available
at Strait Island as most of them are employed and two
are old people staying at S/Island are not interested
to clear the area.

During the visit of VIFs it will become
a problematic task. so it is requested that 4 mandays
for a period of 30 days may kindly be sanctioned and
may permitted to engage from Kadamtala/Havelock area.

Yours faithfully
