Great Andamanese girl Ms. Ms. Sharada
Dwi, D/o Loka has been negotiating for
some employment. She has also been
pursuing training of ANM at the ANM's
Trng. School of G. B. Pant Hospital but was
not able to appear for exams as her
attendance was short and reportedly she
had not completed some project work also
as was required.

After our intervention it was
assured by the Health Dept. that she will
be allowed to appear for exam in May
2012 provided she makes-up the shortfall.

I am, therefore, of the opinion that
instead of recommending her case now
for employment, we may advise the
applicant and her father to complete
the incomplete course of Trng. of ANM so
that she becomes a qualified candidate
for the post of ANM and will obviously
get the same.

Call the applicant and
her father. I shall speak to them.
