Subj: Branch Postmaster, Strait Island Reg.

In reference to the subject noted above, a copy of application received from one Ms. Shabnam, who has been transferred to Strait Island and posted as Tribal Welfare Officer in-charge, settlement A.A.J.V.S, Strait Island, by your office. She intimated that she has taken the charge of Branch Postmaster, Strait Island also on 25.10.2003 from Dr. P.K. Sirkar who was appointed as Social Worker (HQ), Strait Island, by the Administration, he was also holding the charge of BPM, Strait Island. So, she is claiming for the issue of appointment order in favour of her for working as BPM, Strait Island.

As agreed by the Secretary (G.A), A & N Administration, vide D.O. no. 5-86/88-GA dtd 2.2.89, this office issued an order that an employee of A & N Administration working at Strait Island should be nominated by the Administration to work as Branch Postmaster, Strait Island (Copy enclosed).

But the Tribal Welfare Officers who are being posted to Strait Island take the charge of Branch Postmaster, Strait Island without prior intimation to this office and officially no information received from your end about the transfer of earlier officials. This practice creates much inconvenience to this Department in changing all the previous entries of this office records frequently. The recent case is that Dr. P.K. Sirkar who was working for eight months only at Strait Island.

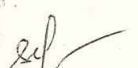

In her posting order of Ms. Shabnam, it has been clearly given that her posting is to attend exclusively to the Tribal Welfare Program. If she is nominated for the Post of BPM, Strait Island from your department, please intimate that how can she work as Branch Postmaster also.

It is therefore, requested to report compliance on the above by next post positively, so that an early action may be taken at this end.

Encl: as stated above.
