

- (ii) Executive Secretary ,AAJVS on receipt of the signal shall immediately put up for sanction of the wages taking into account total number of mandays as an advance
- (iii) Amount after sanctioning shall be disbursed to the workers in the first week or latest by second week of the following month.
- (iv) The advance payment will be adjusted against the actual Muster Roll which will be sent by In-charge, Andamanese Settlement by First Available Boat at the end of the month.

The suggestion of constituting the Committee is desirable as it involves the participation of the Andamanese themselves. The In-charge of the Andamanese Settlement should be on the said Committee. Please put up a draft order.

The views of the financial advisor of the AAJVS, that is, PAO-III could be obtained on the matters discussed in the above paras from 88/N onwards.
