Dr. Sher Singh Kashyotia was the Medical Officer-in-Charge at Dugong Creek during the year 1996. He proceeded to mainland on 13.7.96 for higher study in respect of the order issued by the Directorate of Health Services. Being regular employee, he is entitled for the salary upto 12.7.96.

In our PBR record, drawl of pay and allowances to Dr. Sher Singh Kashyotia are upto 31.7.96. This entry ~~is~~ seems wrong as he left for mainland on 13.7.96 for higher study and question of drawl of pay and allowances upto 31.7.96 by AAJVS ~~is~~ does not arise. Further, the Directorate of Health Services has deputed a Medical Officer named Dr. Ajit Kumar in place of Dr. Kashyotia and the pay and allowances in favour of Dr. Ajit Singh has been drawn and paid with effect from 27.7.96. As such the drawl of pay and allowances of Dr. Kashyotia for the period from 13.7.96 to 31.7.96 may not arise. Further here it is mentioned that there is no drawl/paid vouchers are available on search.

It is proposed that after obtaining a undertaking from Dr. Sher Singh Kashyotia, we may issue revised L.P.C in his favour showing the drawl and payment of Pay allowances up to 30.6.96 if approved.
