(54)	<p>This is reply of memo no. 530 dated 7th December 2010 received from Dr. Bisweswar Das, Social Worker, AAJVS report on grievance of six person of Jirkatang No. 2.</p>
(55)	<p>He has been enquired the matter on field and submitted the following detailed factual report on the issue of the Jarawas damaged and destructed the plantation at Jirkatang No. 2.</p>
(56)	<ol style="list-style-type: none"> 1. There was no tress passing of Jarawas into the plantation area on 02 .12.2010 due to no Jarawa were present in the ATR. Area, since 26/11/2010 to till date. 2. He was received the complaint, some bananas were taken by the Jarawas from Shri C. Maideen during the month of October, 2010. After Complaint, the Jarawas were motivated and instructed by Field Staff of AAJVS. 3. He was not received any complaint from all landlords except Shri. C. Moideen, since August 2010. In fact all five land owners are residing at Nayapuram, Wimberlygunj and nobody is at Jirkatang to look after their plantation, in such situations it is clear that the damages was made by the Jarawas only. 4. Jarawas are mostly camping in 05 locations on the ATR in 9 Km the nearest Jarawa location from JPP Jirkatang, if the Jarawas wants to invade the plantation area at above mentioned land owner at Jirkatang no. 2 which is seems not to be possible during day time due to distance of 07 Km.
(57)	<p>The complaint totally baseless between <u>Jirkatang no.2</u> to M/Strait area the AAJVS staffs are performed their duty at the ATR in the different location.</p>
(58)	<p>He was self enquired the matter on 11/12/2010 and nobody is in the plantation. He was met with the younger son of <u>Shri C. Moideen</u> and <u>fact reveals that they want to full time</u> filled of AAJVS to restrict the Jarawas from entering the plantation, in other word to take care of their plantation.</p>
(59)	<p>He further requested to engage/appoint one of his family member as field staff of AAJVS to protect their plantation in future.</p>
