

As we have no other reliable/permanent source of income, we are dependent for our subsistence on the products of our plantations and this type of unfettered destruction may lead us to a point of starvation if it is not checked by suitable arrangements. In our opinion, the menace could be tackled by engaging sufficient look out staff nearby Jirkatang No.2 area.

Therefore, we humbly request that necessary remedial action may kindly be taken to ward off recurrence of the rampage and destruction by the Jarawas and thereby save us from the present crisis.

Thanking you,
Jirkatang No.2.
