This is reply of this office letter no. 570 dated 29<sup>th</sup> December 2010 received from the Medical Superintendent, G.B. Pant hospital, Port Blair in connection with welfare report of Jarawa child Abina S/o. Titaba age approximately 1 ½ years, he was injured by Ambulance on 02.06.2010 at Middle Strait area.

He has informed that Jarawa baby patient was admitted in G.B. Pant hospital, Port Blair on 03.06.2010 was referred patient from PHC. Kadamtala with history of trauma to head at Baratang at about 5.30 pm the previous evening i.e. 02.06.2010. At PHC. Kadamtala the baby was drowsy and vomited once and supportive treatment gave there.

During admission at G.B. Pant hospital the condition of the baby was reasonably stable with a scalp injury (abrasion) over right parietal region. C.T. Scan was done, which showed scalp hematoma at right temporo-parietal region with linear fracture on right parietal bone. During hospitalization he had about of bronchospasm, which supportive treatment gave by health Department.

He has further informed that patient responded well to conservative treatment, and after consultation with Pediatric surgeon discharged on 09.06.2010.

Submitted for information please.
