Sub: - objection regarding plying of tourist Bus to Middle Street-reg:
Sir,

This is to bring to your kind notice that many of the tourist buses are plying in between Port Blair and Middle Street without having any proper documents and permit to ply to and fro on the same day. Therefore I request you kindly to stop such type of buses immediately to ply in between Port Blair and Middle Street as route buses that have legal permit are facing lot of difficulties as there is no parking space in Middle Street. Further I am to state that many of the tourist vehicles are not allowed to return from Middle Street on the same day. If the above buses are permitted on the same day then why not the tourist vehicle that live their livelihood from their vehicle and also the cargo carriers are not allowed to return on the same day.

The names of some of the tourist buses are given below for your kind information

1. Dhan Laxmi Tours and Travels
2. Three Star Tours and Travels
3. Monicka Travels
4. Zakir Tours and Travels
5. Win Travels

Further I am to state that the vehicles plying in between Port Blair and Middle Street is increasing day by day and sometimes the traffic gets jammed and people who wants to reach to their destination gets late and they can not report for their duty in time.

This is for your kind information and necessary action please.

Thanking You

Yours truly,
