This is a letter received from Shri Sanjay Rai Sharma, Truck owner union president, Port Blair address to The D.G.P., Police Department dated 25th February 2011 regarding objection regarding plying of tourist Bus from P/Blair to M/Strait.

He has further informed that many of the tourist buses are plying in between P/Blair to M/Strait without having any proper documents and permit to ply to and fro on the same day.

Further he has informed an actual fact that some buses are permitted to return on the same day from Middle Strait. But why not the tourist vehicles and cargo carriers are not allowed to return on same day. The names of some tourist buses are given below:

1. Dhan Laxmi Tours & Travels.
2. Three Star Tours and Travels.
3. Monica Travels.
4. Zakir Tours & Travels.
5. Win Travels.

He has requested to stop such type of buses immediately to ply between P/Blair to Middle Strait due to legal permit holder facing lot of difficulties and general public are facing problem, who wants to reach to their destination on timely but they cannot reach timely.

In this regard it is to mention here that plying of Tourist buses is dangerous for protection & safety of Jarawa tribes, who are staying Jirkatang to Middle Strait area.
