

The Director General of Police,  
Atlanta Point,  
Port Blair

[illegible]

Sir,

This is to inform you that the Jetty at Aerial Bay, Diglipur got damaged due to heavy stormy wind few weeks before. In this connection I would like to intimate you that due to non availability of passenger/cargo boat the cargo from Diglipur specially vegetables which was transported through the Marine boat is now being transported through truck. The convey at middle street for the cargo truck is only at 1530 Hrs, I request you kindly to change the timing from 1530 Hrs to 1330 Hrs as the vegetables which is loaded from Diglipur gets damaged due to truck standing under sun for long time and in this connection vegetables rates at Port Blair gets increased due to the above damage.

Also if the truck with vegetables reach Port Blair in time, it will be benefited to the people who after a whole day work returns home in the evening can purchase the vegetable on their way.

This is for your kind information and necessary action please.

Thanking You,

Yours faithfully
