

ANDAMAN AND NICOBAR ADMINISTRATION
SECRETARIAT

Port Blair dated 19/4/2011

NOTE

With reference to your Ir.No.5-47/2006-TW(PF)/343 dt.18th April 2011, you are required to take the following action.

1. AAJVS Staff to be provided with simple Digital Cameras to record/take evidence of such activities.
2. We need to construct special Jarawa Ward for which funds are already released to APWD, at PHC at Baratang so as to avoid unnecessary travel of patients up to Tushnabad. Safety measures/proper screening of the Special Ward is to be made to keep outsiders away from the proposed Jarawa Ward.
3. Providing newer implements and equipments needs to be discussed with experts/Anthropological Survey of India before making such interventions.
