This is a serious incident. we have to initiate a strict action so that one cannot dare to behave in such a furious manner and also may not repeat in future.

(101)

we also have to issue strict direction to our field staff on ATR and Tirm areas to be alert immediately and such type of action not take place in the areas also must report immediately to the authority.

(102)

we also have to inform to the licensing authority for cancellation of driving licence and permit of the said tourist bus and also have to initiate action as per PAT Regulation
