

POLICE ABUSE LAW...

(Contd. From p-1)

Thereafter the said D.F.O. sent messages to the authorities concerned through his VHF and cell phone. Passengers of North and Middle Andaman suffered unnecessary delay on the day.

Police is the persons to respect the law first and foremost. If police take law in their hands and become the harassment/humiliation intolerable, it will compel/encourage the public to do the same from their end also. Hence the DGP should take the matter with its due seriousness to teach the lesson to his staff and officers about their duty bound responsibility towards respecting the law.

MV AUSTIN - II KEPT IDLE...

(Contd. From p-1)

This is going on in front of the Officers present in the nearby Police Duty Room and Forest Officers Duty Room at Uttara Jetty.

Why the Director Shipping consciously allow these corruptions? Why he is not interested to detect the oil pilferage going on in their vessels creating subortage to the Adminsitration and the Nation worth Millions of American dollars per year in Oil purchase? These are the questions astonishing the people. The Director can take suitable initiatives like surprise visits and constant observations through secrete vigilance on the functions of vessels deployed for ferry and long ferry all over these islands, but he does not move even his finger because the persons behind these Corruption is sponsored by the Congress Party in Power and they do not permit the Vigilance to step into action against.

THE MAY 13

The Congress would mandate is a big yes for the C at the Centre, and the oppos complete the remaining three any hindrance. This is a mos the May 13 mandate. Tamil N 2G scam and the Congress m the DMK-Congress alliance neighbouring Kerala, the UDF margins and that too thanks t allies like the Muslim League a

In Puducherry, the C voted out by the NRC-AIADMK enough, the Congress tasted t by-elections where the widow challenge to the Congress proportions of the NTR era wh by pitting Telugu pride against Congress High Command. It Congress has really won a big instead of pursuing the typical Greenhunt or the AFSPA regim Kashmir, the Congress in Assa 'politics of peace'.

Contrary to what the C mandate has served a serious exposed its utter vulnerability on of the day - price-rise and corrup

The BJP had little direct perhaps in Assam. The outcome badly in Assam and its attempt to also failed in the remaining states.
