Sub: - Violation of convey system on ATR- reg
Sir,

With reference to your letter No 16-11/AAJVS/2010-11/239 dated 13 July 2011.

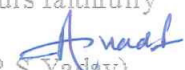

You have stated in para 1 of your letter that social worker AAJVS posted on duty in reserve area reported that Bus No AN01-F3868 (Tourist bus) stopped near R K Nallaha Jarawa Camp on 21-6-2011 at 8 AM convey and took the photograph of female Jarawa is baseless. The driver never stop his bus unless otherwise his movement is restricted by Jarawa or by the leading vehicle. For Example: - On 13 August a Scorpio was carrying the Church people stopped near Jarawa and distributed the biscuit etc. My bus which was behind that vehicle had to stop; because of no way.

Reference to para 2 of your letter regarding the vehicle owner/driver are warned on several occasion for not stopping at ATR while crossing tribal reserve. Till to date we have never stopped our tourist bus in reserve area unless otherwise situation arised like obstruction by leading vehicle or completely road is blocked by Jarawa. We are never warned and owner has not violated the decission of STA.

Sir, My bus is leaving from Jirkatang in 7 AM convey and a police guard is always present in it. If your staff is observing any irregularities, can be reported to convey staff, so that timely action can be taken.

Sir, I request you to instruct your staff to avoid the blockage of road by Jarawa near R K Nallaha.

Yours faithfully
