Sub.: Need for a field office at Tirur area. Regd

Sir, I am to inform you that since long time we have not have any shed/shelter/field office at Tirur area for our field staff who are on duty to tirur during day/night time. A field office or shelter is urgently required for the staff to discharge patrolling duty and monitoring the movement of the tribals in a desired manner, specially during rainy season.

Keeping in view the above facts self talked/discussed the matter with Mr. Mohan Hader, the Pradhan, G.P. Tushnabad, and request him to Pl. spare a room available in the "Working Shed" building at Colinpur. The Pradhan accepted the request and agreed to provide us a room for our field office on d-temporary basis.

If approved, we may take over the room, if may be used for our field office of Tirur area, till construction of our new "Office cum watch out room" Completed, for which land has already been Selected.

May Pl. approved the proposal with reference to our telephonic discussion had with you today. The required formalities may be discussed with the Pradhan, T/Bod in due course Pl.

Submitted Pl.

Yours faithfully

Dr. Bisweswar Das
