Sub :- Unfair and unaccepted behaviour of jarawas towards the staffs attached with the express buses . Reg-

Sir,

I would like to make you inform about one of the recent incident which took place on 01.10.2011 when STS Bus No.414 i.e. D-I Express was on its routine trip from Port Blair to Baratang. On its way between Jirkatang and Middle Straight one jarawa stopped the bus and loaded two nos. Wild porks on the footstep. When the bus conductor on duty in the bus objected him from getting inside the bus, he not only refused but also started abusing and threatening the duty staff.

So it is requested to kindly make arrangement to enhance the enforcement staff in Jarawa infected area to get rid of such problems in future.

Yours faithfully,
