Sir,

Apropos Office Order No.6-5/2011/TC dated March 30, 2012 (xeroxed copy enclosed), which is self-explanatory for your kind information & necessary action that two different teams of this organization are proceeding on tour on or around April 14, 2012. I request you to inform all concerned officers of your organization in various locations to extend all logistic support & assistance to facilitate significant research in the Tribal Reserved Forests & settlement areas as mentioned therein the tour order in question enclosed herewith.

The scholars of this organization would approach any responsible officers of your esteemed organization with relevant documents viz., Identity Cards, Introductory letter etc to seek their assistances, which we firmly believe would be extended in whatever kinds they ought to be. For instance, accommodation in establishments established in different locations, trekking the tribesmen habitats either through undulating terrains in the forests or creeks, sea etc as the case be. Your kind cooperation is highly solicited to help us achieve a grand success in conducting studies of this national prestigious project, which would be duly acknowledged at appropriate places of the ensuing report in this regard.
