142	<p>PUC is an estimate received the Assistant Engineer (Works), APWD towards repair and maintenance of passenger hall at Middle Strait Jetty.</p>
143	<p>The old passenger hall constructed by the Port management Board near the Police Check post at Middle Strait Jetty remained unutilized for many years. On the request of AAJVS, the hall was handed over to AAJVS during 2000-2001, so as to establish a site office for executing various welfare activities of the Jarawas.</p>
144	<p>The passenger hall requires repairs in the building including painting, filling of earth near the entrance, construction of wall to the well as well as retaining wall for the safety of the building.</p>
145	<p>The Director (TW) and Executive Secretary AAJVS inspected the building during the recent visit and observed that with some repair, painting earth works and construction of retaining wall, AAJVS can establish a field Office at Middle Strait.</p>
146	<p>In terms of the request of AAJVS, the APWD has prepared the estimate for an amount of Rs. 3,57,466/-. The work is estimated to be completed within 45 days and done departmentally / contract.</p>
147	<p>It is therefore proposed that the above estimate submitted by APWD may be approved for an amount of Rs.3,57,466/- (Rupees three lakh fifty seven thousand four hundred and sixty six only) towards the repair and maintenance of passenger hall at Middle Strait.</p>
