178	<p>This is a letter received from the Head of Office, Anthropological Survey of India, Port Blair stating that two different teams of An.SI are proceeding on tour on or around April 14 2012. He has requested for informing concerned officers of AAJVS in various location to extend all logistic support and assistance to facilitate significant research in the Tribal Reserved Forests and settlement area.</p> <p>In this connection it is to mention here that the An.SI has constituted two teams for the second phase of a project "The Ang of Andaman Islands, problem of Culture Contact and Conflicts, Emerging Issues: An Anthropological Perspective". The study is to be conducted at Collinpur, Tirur, Tusnabad, Annekhet in South Andaman and Kadamtala in Middle Andaman area.</p> <p>The AN.SI used to undertake similar projects / surveys in the Jarawa area in the past too and AAJVS used to provide logistic support i.e transporting the team members from their place of stay to the Jarawa camps. In the instant case, it is proposed that we may provide similar support to the team during their survey period. Subject to approval, a draft signal is added for approval please.</p> <p>Submitted for approval please.</p>
