Port Blair, dated the 5th May, 2010

To

The Superintendent of Police,
South Andaman District
Port Blair.

Sub:- Illegal transit of 2 wheelers on the Andaman Trunk Road – reg.

Sir,

During my tour to Middle Strait on 2nd May 2010, I saw one Motor Cycle at 10.00 AM at Potatang. I stopped the vehicle and inquired how he is riding a vehicle on the Andaman Trunk Road, authority granting him permission to do so and other issues.

After initial interrogation, he was directed to escort my vehicle to Middle Strait. The In-charge, Jarawa Protection Post Shri Raghu, HC No 577 who was at Baratang was called and asked for the details. Instead he started asking questions on me over phone. After half an hour he came to the Police Outpost at Middle Strait and replied that the motorcycle rider is known to him and he had sent at his own risk. Thereafter, he started pleading for innocence and apologized.

As you are well aware that without issue of proper permit by your department, no private vehicle is permitted to pass through the ATR. Implementation of the Jarawa Policy is the top priority of the Administration. Infringement of this nature that too by a responsible Police Officer is unwarranted.

Considering the importance of the situation, it is requested to take necessary action to prevent such type of incidents in future and safeguard the interests of the Jarawas.

Yours faithfully,
