-1-

The third phase of study on the Jarawa is to commence from the last week of August 2002. Like the first and second phase of study, AAJVS has to arrange for providing infrastructural facilities to the three composite team members for smooth conduct of the study.

The following facilities are proposed to be provided to the study teams during the third phase of study among the Jarawa:-

- a) Hire of vehicles for the transportation of team members from Port Blair to the respective camps/site on the first and last day. Hire of trucks for carrying camping materials from Port Blair to the three camps;
- b) Bringing tents from IP&T Guesthouse Neil Island, Diglipur and Teal House, Port Blair;
- c) Hire of Engine Dinghy for Tirur, Middle Strait and Kadamtala area;
- d) Providing ration articles to the team members;
- e) Providing of stationery items;
- f) Repair of vehicles of AAJVS so that the same can be deployed at the respective camps for the entire period of study;
- g) Purchase of LPG cylinders;
- h) Supply of meals to all the team members for the first day;
- i) Requisition of sea worthy vessel for west coast, if necessary;
