

From pre-page:

The items under SN 1 and 2 from Directorate of Health Services at page no: 7/N, including consumable items (placed at para 16/N to 19/N) are required to be procured except SN 5 and 6 (Forest department) at page 8/N for the use of the members of the three composite groups for 3rd phase Jarawa study, in addition to the requirements placed at para 7/N at page 2 and 3/N for which administrative approval and purchase approval are requested.

The Director of Health Services had agreed to supply 80 numbers of Mosquito nets for the use of the members of the composite groups for which necessary requisition had been placed.

The Secretary (TW), A&N Administration, is the competent authority to approve the proposal in terms with item no: 8 of the delegation of financial powers of AAJVS.
