Sir

It is to inform you that the Health and Nutrition Composite team has successfully completed the survey of kadambale forest at No. 10 camp on ATIR and also at lakes, jungles and adjacent forest habitats.

Now the team consisting of 19 persons including 5 doctors already reached Potatung camp on today 20/8/2002. Since Composite group on resources and behaviour has shifted their camp from Potatung to middle strait, the Health and nutrition team is not in a position to have fooding at middle strait due to logistic problems.

So it is requested that the following items are to be procured and supplied to us for providing food and other things.

1. Utensils -
 - Dagehi - 5 Nos. Big - 2
 - Kadai - 1 No. Medu - 2
 - Large Spoons - 4 Nos. Small - 1
 - Small Spoons - 3 Nos.
 - Knife - 2 Nos.
 - Dah - 1 No.
2. LPG Gas - 2 full cylinders
