To

Shri. A.K. Singh, PVSM, AVSM, SM, VSM (Retd)

Honorable Lieutenant- Governor,

Andaman and Nicobar Administration,

Raj Niwas,

Respected Sir:

Please find attached the report on Gender Issues that Dr M.Mazumdar and I recently conducted at Port Blair. The serious group analysis leads us to believe that a sustained six to eight months of fieldwork coordinated by us along with AAJVS field staff, we could make fundamental change in the community relations and gender, particularly in light of Tirrur situation. I have detailed report paper based on the data from ground that has been provided to ANTRI.

We really look forward to working on this problem as it has implications on law and order among tribal and non-tribal community.

May we also thank you for all the hospitality and faith you have in our capacity to carry forward research driven policy formation.

Sincerely

Vishvajit Pandya.
