Sub: Free ophthalmic check-up and care - reg.

Sir,

I am a retired Ophthalmic Surgeon of A & N Administration. I have rendered 28 years of service as Deputy Director (Ophthalmic) & Joint Secretary (Ophthalmic) and conducted various Eye camps. I am currently running my Hospital namely **Rohin's Eye Hospital** since 2008. Needless to mention here that the reputation of my Hospital in the field of Ophthalmology in A&N Islands as well as on mainland India.

As a benevolent gesture on the part of my Hospital I offer the A & N Administration my expert services for eye care examination including treatment for the complete ophthalmic care of members of all the five PVTGs free of cost. My only request will be that the Administration bears the expenses on my transportation and accommodation at different tribal habitats/islands as I shall provide medical service in-situ. May I repeat that I don't need any payment for my services.

Looking forward for your kind cooperation and support.

Yours faithfully

(Dr Rohindra Lall)
