The Executive Secretary
AAJVS
Port Blair.

Madam/Sir,

As we are aware that museums across the world will celebrate the **International Museum Day (IMD)** on 18th May 2019 by organizing various events. The objective of IMD is to raise awareness of the fact that Museums are important means of cultural exchange & development of mutual understanding.

To celebrate IMD and to build the Museum more community oriented and mobile as well as to create a cultural hub (where creativity combines with Indigenous knowledge and where visitors can co-create & interact), the Zonal Anthropological Museum of Anthropological Survey of India, Andaman & Nicobar Regional Centre is going to hold a tribal interaction programme, by organizing "**Draw & Colour Workshop**" among tribal children of the Jarawa. Museum professionals will reach to the Tribal Areas of Kadamtala where the children along with their family members will assemble and take part in the Draw & Colour Workshop on **20th May, 2019**. A photographic exhibition will also be displayed to encourage these indigenous people of A & N islands to preserve their culture & art heritage.

Therefore, I request you to kindly extend necessary cooperation and logistic support in this regard.

Yours faithfully
