To :

All concerned Officers and staff of the AAJVS, ANTRI and Dept of TW A&N Admin.

ES 30/10/14
10.7.6
22/10

Please find attached the schedule for the seminar sessions, along with the name of the participants.

ANTRI office has to inform Anirban Dutta Gupta and office orders have to be sent to three AAJVS staffs who are away from Port Blair. It is imperative that they make short presentations at the planned session.

I will arrange my own tickets and as usual provide the required document for claim. I have to do so as my university is holding final exams at that time so we will have to make arrangements for the schedules of exam and travelling. Kindly keep a room aside for us. Dr. Mazumdar who is a participant and the original planner of the Seminar team, will travel with me.

Concerned office holders need to work out the details of the opening and the closing sessions. Official formalities of who will speak and who is representing Delhi need to be sorted out. Please note that there may be a couple of changes before the final draft is sent out. For instance it may be better if Prof. Abbi is pushed to the first session. Please take a look at this one, see if you have any suggestions let me know and then return it to me.

Thanks for your kind attention and time.

Vishvajit Pandya.
