On the occasion of a Power-Point Presentation made during the visit of Secretary (Tribal Affairs), Govt. of India to Andaman and Nicobar Islands in the month of October, 2007, the need to organize workshop(s) on Sensitization of people, people's representatives and officials from the Departments concerned for the protection and welfare of Primitive Tribes emerged as a consensus decision. You are requested to please depute all the Officials In-charge of Jarawa Protection Posts to the Workshop so that the deliberation therein benefits in their capacity building.
