198 May U. see para 196-197/N.
Erroneously, we had prepared the report
on 15/3/2010, whereas the Joint Secretary
had asked for a status report as on
31/3/2010. As the mistake was
found out on 15th March, we did not
issue the letter and retained it in the
file. Fresh letter added for 31/3/10
