The AASUS has deposited funds with APUS for 40 of residential and non-residential buildings at Strait Island, Nuek and Port Blair.

(206)

The work at Nuek is nearing completion and at Port Blair is under progress. But work at Strait Island is very slow.

(207)

The Section visited SI on 12th Dec 09 and directed to hand over the buildings to MMS by March 31st 10, but till date there is no response. As directed by Section a draft D.O is placed for approval please.
