Dated the April, 2003

To,

The Executive Engineer,  
South Andaman Division,  
APWD,  
Port Blair.

Sub: Construction of double storied complex at Adibasera -reg.

Sir,

I am directed to state that a proposal has been kept in the Annual Plan for construction of a double storied complex at Adibasera in place of the existing of the single storied building.

During the Executive Council meeting of AAJVS that met on 31<sup>st</sup> March 2003 the Chairman, AAJVS (LG) had stated that APWD may conduct a feasibility study to assess the land available, cost of construction and other technical aspects, so that the same may be placed for approval for release of funds under the Special Central Assistance (Copy of minutes enclosed).

You are therefore requested to kindly take up the matter and conduct a feasibility study. Kindly treat this matter as most urgent.

Yours faithfully
