Permission to enter Dugong Creek to carry out IEI
of all buildings and construction of water tank
by authorised contractors and their labourers - req.

The Andaman Public Works Department is a govt. sector
and the body to undertake various construction and
development activities in the creek. The construction work
funded by the AAI VS is also undertaken by the APWD.

Yet another works to carry IEI works of
PAC, Type II gtr, community hall, Primary school and const-
ruction of one water tank of 1 lakh ltr. capacity undertaken
by the APWD; and the authorised contractors require
permission to enter the tribal area with their men, machines
and materials. Letters of intimation seeking permission
sent from APWD to Tehsil Dar, Little Andaman. Is this
enough for the people who are connected with the approved
works or they are exempted from obtaining licence under
the ANPAT regulation, 1956?

In a partial modification of the Notification
NO. AN/PATR/7/1 dated 21-4-1957 it is ordered that all the
govt. servants while proceeding on duty to a reserved area
and the families of such govt. servants shall be exempted
from taking out a PASS for entering a tribal area in
Andaman & Nicobar Islands which stands not in favour of the
