Dated the

12/11/2007

To,

The Executive Engineer
Minor Irrigation Division
Little Andaman.

Sub: Permission to enter Dugong Creek to carry out IEI of all buildings-reg.

Sir,

With reference to your letter no:15-4/MID/DB/07/3189 dated 25/9/2007 I am to say that no permission is required for APWD to execute civil construction works at Dugong Creek since it is a part of the Government machinery. All the works are directly monitored by the Junior Engineer concerned.

Such being the case, the contractor may be directed to furnish details of the labourers to be engaged for the referred works at Dugong Creek. A copy of same may be forwarded to the undersigned as well as to the Research Investigator, AAJVS, Dugong Creek, who would monitor the same.

As you are well aware that these works are being undertaken as directed by the Hon'ble Lt. Governor, the same may be completed within the time frame as directed.

Yours faithfully

Sd -

(Govind Ram)
Executive Secretary,
AAJVS

Copy to:-

1. The Research Investigator, AAJVS, Dugong Creek with a direction to obtain details of labourers to be engaged at Dugong Creek and to report about progress of work;
2. File concerned
