a) The extraction of sand from Strait Island by the labourers of private contractors or Junior Engineer has not been seen by me since January 2006 i.e from the date of commencing construction work.

No complaint has been received by me either from the Great Andamanese or any staff stationed at Strait Island about extraction of sea sand by private labourers of the private contractors

- b) Shri. Velumurugan bought quarry dust, blue chips and metals from Port Blair for civil works. Other two items i.e steel and cement was supplied by APWD.

Thanking you,

Yours faithfully
