

146 By constructing an Office-cum-guesthouse complex at Adibasera, we can have a direct watch and ward of the inmates. Further, the assets of AAJVS would be in safety and there would be enough space for carrying out the daily Office affairs.

147 It is requested that the above proposal may be approved. If approved, we may request the APWD authorities for preparation of an estimate for a/a and E/s. We may keep sufficient funds in the annual plan 2003-2004 for the said construction, as, if we request the APWD authorities for an estimate, the same would be ready by end of February 2003 and after administrative approval they can take up the work in the financial year 2003-2004.

148 The Vice-Chairman, AAJVS (Chief Secretary) is the competent authority to approve the above proposal.
