To,

The Commissioner-cum-Secretary (PWD)

Sub:- IEI works to AAJVS Office building-reg.

Sir,

I am to state that this Office had deposited an amount of Rs.1,40,790/ (Rupees one lakh forty thousand seven hundred and ninety only) vide cheque bearing number 573058 dated 22/4/2008 in favour of the Executive Engineer, Workshop Division towards IEI works of AAJVS Office adjoining the Directorate of Tribal Welfare building at Secretariat Complex. Though civil works regarding extension of the building has been completed more six months ago, the works relating to internal wiring and electrical fittings have not yet been done inspite of several requests made by this Office and letter issued by the Assistant Engineer (Works). Copies of earlier letters enclosed for kind perusal please.

Due to non-availability of power supply, the functioning of the Office, especially during after noon is badly affected. Since last six months, the Office works are carried out with the help of extension cords, which is certainly risky. We have already lost one computer system due to short circuit which has been appraised to the Engineers concerned.

You are, therefore, requested to kindly look into the matter, ^{and} direct the Officials concerned to immediately take up the work for smooth functioning of the Office without any further delay.

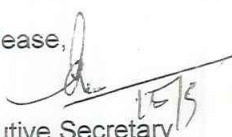

Yours faithfully
