

244

Submitted that the APWD authorities had renovated the room for library. Now the flooring has to be furnished with vinyl mat for neatness and easy to clean the room.

245

The floor area has been measured which is 4.5×3.5 mtr. totalling 15.75 sqmt. It is proposed that we may procure vinyl matt of 2mm thickness which may cost approximately Rs. 6000/-

246

The library may be inaugurated by 1st week of Jan 2005 alongwith the museum of DTW.

247

It is therefore proposed that we may invite limited quotations and procure the same.

248

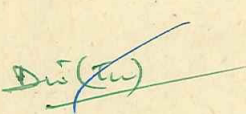

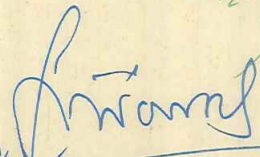

As per item no: 10 of DFP, Dist (W) is competent authority to approve the above proposal.

249

Submitted for approval.
